EUROPEAN
SENIOR
KARATE
CHAMPIONSHIPS

19-22 MARCH 2015

İSTANBUL - TÜRKİYE

Version 1.0...

We wait with great expectation and encouragement the celebration of these 50th European Senior Championships in Istanbul. Half a century in the history of the European Karate is really an unforgettable milestone that deserves to be especially celebrated in Istanbul.

I want to take this opportunity to recognize the work developed by the Turkish Karate Federation during these last years. It has been always an active and a loyal member from the European and the World Karate Federation and has always made things easy inside a positive atmosphere of help and collaboration. With members like the Turkish Karate Federation it is easy to understand the outstanding progress experienced by the EKF in the last years.

The allocation of this big Karate event to Turkey is therefore something well deserved by the Turkish Karate Federation and we can say, without any doubt, that these European Senior Championships are going to be a new significant success of our sport. Additionally, these Championships will be the main qualification event for the first European Games that will take place in June in Baku, something that will also contribute to remember Istanbul as the big event that culminated the first 50 years of Karate in Europe.

Antonio Espinos

İSTANBUL

A world center of great value in the past as well as in the present, Istanbul embraces Asia on the one hand and Europe on the other.

Istanbul, with its historical peninsula, numerous scenic and historical beauties is a magnificently unique city that has been capital to many civilizations from past to present and still continues to be home to residents from all over the world. This rooted city, with a history dating back to 300 thousand years before, constitutes a mosaic of many civilizations and cultures combined.

One may come across legacies and monuments of thousands of years behind any door or around any corner in Istanbul. Whether you take a round tour in Istanbul or visit any of the 39 districts nearby, you will catch hold of various historical and natural wonders any minute.

You may begin your Istanbul tour at the Grand Bazaar that will enchant you with its bright and pleasant environment while a sense of peace and security will wrap you tightly in Hagia Sophia. A tour of the pearl of the Bosphorus, Ortaköy, will let you enjoy the delightful views along the deep blue coast

Watching the flying seagulls at Eminönü by the time the rising sun illuminates the city, you will notice the docked boats rocking gently as if to greet you. What's more, you won't be able to resist the fresh scent of the city when the first ray of lights illuminate the shimmering fishes swimming around the fishing twines.

The setting sun illuminates the city like a painting every evening. The candle-like silhouettes of the mosques rise above the historical peninsula to greet the city while the sun and the moon salute each other as the day turns into night. Right at that moment you will feel like a sultan in the cradle of civilizations.

Bridging two continents, this unique city, where one can encounter people from different countries and witness diverse cultures merging in harmony, will awaken completely different feelings in you.

There is a lot to experience and share in Istanbul. Are you ready to explore this magic city?
