1. Initial Greetings

1.1. President of the World Karate Federation

The moment that millions of karatekas around the world have been waiting for is almost here. Our beloved sport is ready to make its anticipated debut at the Olympic Games, and our Olympic dreams are becoming a reality at last. With our Olympic first appearance finally on the horizon, we will get the first taste of Olympic Karate at the Qualification Event for the Games of the XXXII Olympiad Tokyo 2020 to be held in Paris (France) from June 11th to 13th, 2021.

Karate fans are not to miss the tournament at Stade Pierre de Coubertin sports hall; the last athletes to qualify for Tokyo 2020 will be crowned there, and some of the best karatekas in the world will fight for the right to be one of the 80 men and women who will make history for our sport at the Olympic Games. Memorable kumite and unforgettable kata action are expected to fill us with pride and emotion during three anticipated days.

I would like to take the opportunity to send my warmest regards to the heroes of our sport who will fight for glory at the event. Whether you qualify for Tokyo 2020 or not, you all are part of one of the greatest events in the history of our sport and your accomplishments on the tatami will always remain in our memory.

As one of the biggest hubs of our sport and one of the cities where Karate is most appreciated, Paris will be the perfect stage for an exceptional competition. Our quest to this tournament has been long and strenuous, with many setbacks along the way, but I am convinced that the event will be a huge success. I would like to thank the French Karate Federation and its President Francis Didier for their efforts to set the ideal scene for the most extraordinary and momentous days in the history of our sport thus far.

Best of luck to all the participants and organisers and a big “Oss” to all of you Karate fans.

Antonio Espinós
WKF President

1.2. President of the French Karate Federation

On behalf of the French Karate Federation, it is my pleasure to invite you to the Karate Qualification Tournament for Tokyo 2020 Olympic Games which will be held from June 11th to June 13th 2021 in Paris.

We are proud to host this last competition before the Games, eight years after the 2012 World Championships, and we will do our best to make it as successful as this prestigious event.

I am looking forward to welcoming you all,

Best regards,

Francis DIDIER
President of the French Karate Federation

2. About Paris, France

Paris, capital of France, is situated on the river Seine, in northern France, at the heart of the Ile-de-France region.

Time zone:
Central European Time Zone – GMT + 1 hour

Weather and climate:
France is a large country extending over a wide range of latitude; Therefore, the climate differs according to region. The climate of Paris is mainly affected by the North Atlantic Current and therefore the city experiences Oceanic Climate. The city is known for the sudden shower of rain which occurs all through the year. The weather in Paris is unpredictable.

3. Accommodation, Meals & Transport – "Sanitary Bubble"

Due to the worldwide health situation, the **Qualification Tournament** will take place under a number of rules and restrictions.

To ensure the safety of all participants, as well as the equity between participants from all over the world, the organization will apply a **"Sanitary Bubble"** that needs to be strictly observed. This **"Sanitary Bubble"** applies from **Wednesday 9th to Monday 14th of June.**

For this reason, please take into account that it is compulsory, for all participants that will apply for an accreditation, to:

- **Book the hotel through the official agency:** pre-booking compulsory before April 25th. For the moment, 3 hotels have been entirely privatized for the event from Wednesday 9th to Monday 14th. We need an estimation of the number of participants and kind of rooms required as accurate as possible to adjust the number of hotels accordingly.

- **Book the shuttle** between Airport and Hotels through the official agency.

- **Stay in the "Sanitary Bubble"** during your whole stay. Leaving the hotel for any reason will by strictly prohibited, except for competition and meals.

- **Respect the protocol** and safety rules.

The event is planned to take place "behind closed doors". For more details visit Section 6.

4. Qualification Tournament

4.1. Categories

The categories will be the same as the ones in the **Tokyo 2020 Olympic Games**:

Female individual Olympic categories

1. Kumite -55kg
2. Kumite -61kg
3. Kumite +61kg
4. Kata

Male individual Olympic categories

1. Kumite -67kg
2. Kumite -75kg
3. Kumite +75kg
4. Kata

4.2. Competition Format

- 3 days of competition.

- 4 Tatamis / competition areas.

- 1 athlete per NOC / category, in those categories where the NOC has not already qualified one athlete according to Step 1 of the Qualification System for Tokyo 2020.

- The Karate Qualification System for Tokyo 2020 in force will be applicable: *https://www.wkf.net/olympics-main/157*

4.2.1. Seeding of athletes

- The 4 highest ranked athletes (by points at the merged categories) not yet qualified through Step 1 of the Tokyo 2020 Qualification System, based on the WKF Ranking of 25th May 2021 will apply for seeding.

4.2.2. Progression of pools

• For both Kata and Kumite, the standard WKF Rules will apply for elimination and ranking rounds. This will be followed by a round-robin competition on one single tatami with a "final pool" of four athletes, being:

1) the two finalists, as well as

2) the two winners of the repechage "bronze medalists" (for Kumite) / the two competitors that would be "bronze medalists" in a regular competition (for Kata).

The bout of the two finalists shall be the last bout of the round-robin, whereas the rest shall be random.

• For Kata categories the round-robin will be considered as a completely new phase, meaning that the prohibition to repeat Kata will only apply to the bouts held during the elimination phase. Therefore, a Kata can be performed only once for each phase (elimination phase – round-robin phase).

• Once the round-robin phase has finished, there will be a list of the 4 athletes of each category, ranked #1-#4, according to the points obtained during the round-robin phase. Only athletes ranked #1, #2 and #3 will obtain a quota place for Tokyo 2020 Olympic Games, while the athlete ranked #4 in each of the categories will NOT qualify for Tokyo 2020 Olympic Games.

• Should a tie exist at the final results after the round-robin phase, the resolution of ties as defined for the Tokyo 2020 Olympic Games will apply.

4.2.3. Medals

• Medals will be awarded exclusively to the 3 qualified athletes that will obtain a quota place for the participation at the Tokyo 2020 Olympic Games.
