20. CITY / COUNTRY INFORMATION

20.1 About RABAT

Rabat, Morocco's political and administrative capital, may be short on top-drawer tourist attractions, but it compensates with plenty of charm. The city's palm-lined boulevards are clean, well-kept, and relatively traffic-free—a blessing for those who have spent time in Casablanca. There's a clean, central beach, an intact and evocative Kasbah, and an attractive walled medina that is far less touristy than other large cities. Overall, the city is a good choice for a short or long stay.

20.2 How to get to RABAT

Airports:

1. Mohammed VI Airport in Casablanca.
2. Rabat/Sale Airport in Sale.

Getting Around in a new city can be confusing. Here are the best methods of transportation in Rabat:

The train is more spacious than taking the bus. Trains run every thirty minutes. There are two stations. The central station is called Rabat City, and the other is Rabat Agdal. The overhead racks in their tracks are too small to be followed and leaving them in the aisles can cause issues with the food cart. You can avoid this problem and be more comfortable by traveling first class or using our TGV service, Al-Boraq.

There are two types of taxis in Morocco. Petit taxis are small cars that are not allowed to go outside the town limits. They have a unique sign on the roof that usually looks like a small box and is blue. The other type is a Grand taxi. These are larger cars that can go anywhere you need to go. You can negotiate a price for the trip before you leave, or you can use the meter.

The Rabat-Sale tramway is a tram system in the Moroccan agglomeration of Rabat and Sale cities, and it opened on 23 May 2011. Depending on where you are staying, you can find the best way to get around the city.

20.3 Practical Information

Morocco has a population of over 36 million. Its capital is Rabat, and the largest city is Casablanca. Other major cities include Marrakesh, Tangier, Sale, Fes, and Meknes. Moroccan culture blends Arab, indigenous Berber, Sub-Saharan African, and European influences.

Morocco's official languages are Arabic and Berber. The Moroccan dialect, French, is also widely spoken. Morocco is a member of the Arab League, the Union for the Mediterranean, and the African Union. It has the fifth-largest economy in Africa.

Tourism in Morocco is well-developed, with a strong industry focused on the country's coast, culture, and history. Morocco is one of the most politically stable countries in North Africa, which has allowed tourism to develop. The Moroccan government created a Ministry of Tourism in 1985. Tourism is considered one of the leading foreign exchange sources in Morocco.

The official currency is the Moroccan Dirham. 1 Euro = 10.50 (rate 14/03/ 2025)
