## Welcome Message

The expansion of Karate in young ages lies at the heart of the WKF's overarching mission. We strive to further increase our sport at grassroots level in light of Karate's life-changing impact in the development of the younger generations. For this reason, it is crucial for the WKF and for the future of Karate to continue organising successful and massive events such as the WKF Youth Camp.

It is a source of pride and honour to see how hundreds of young enthusiasts of our sport gather at the WKF Youth Camp to celebrate Karate and to demonstrate the many values of our ancient discipline. In its eleventh edition, I am sure that this event will continue breaking attendance records, as it has done in previous years.

Celebrated right after the closing of one of the biggest competitions of the year in our sport – the Youth Olympic Games Qualification Tournament – the 2018 WKF Youth Camp is being held once again in Umag (Croatia), the idyllic city that has become the core of grassroots Karate. I take this opportunity to thank the Croatian Karate Federation and its president Stjepan Celan for their support and contribution to the progress of our sport.

I am convinced that all the young aspiring karatekas travelling to Umag to participate in this year's edition of the WKF Youth Camp will enjoy learning the importance of living a healthy lifestyle, and other critical life lessons such as respect, honour and dedication. But also and moreover, I am sure that at the 2018 WKF Youth Camp, kids will get to learn how to have fun with Karate!

Antonio Espinós  
WKF President
