1. Initial Greetings

1.1. *Greetings from the WKF President*

Nearly ten months after our last event, we finally have the opportunity to host a new international competition. The 2020 Karate 1-Youth League Venice does not only represent an exceptional showcase of the determination of our sport; it is our chance to go back to normal with the celebration of one of the most anticipated and well-organised events of the year.

The wait has been long and eventful, but it has helped us to become even stronger. Now that we are finally back on the tatami, the Karate world in full could not be any more thrilled. We are ready to continue showing the magnificence of our sport and to demonstrate the outstanding strength of our values. I am sure that the event in Venice will be the first of many for the Karate world to further display our resilience, courage, and ability to adapt to even the most demanding circumstances. The 2020 season has been seriously affected by the current situation; however, I am convinced that we are set to be dazzled again by the greatness of our events in 2021.

The well-being and safety of our athletes, coaches and fans is - and has always been - paramount for the WKF. Therefore, this event could have never happen if not for strenuous efforts to guarantee the absolute protection of the competitors. In this sense, I want to express my gratitude to the organisers and the Italian Karate Federation for their hard work to ensure the best conditions for all the participants.

I am grateful for the dedication and perseverance of the Italian Karate Federation over the many months to make this event a reality. It demonstrates that when we work together as one, we can accomplish great success.

Best of luck to all the participants and organisers, and a big "OSS" to all of you Karate fans.

Antonio Espinós
WKF President

1.2. Greetings from the FIJLKAM Italian Karate Federation President

It is a pleasure for me and for the Italian Karate Federation to greet all the athletes of the "Karate 1 Youth League", which will be held at Jesolo from 4th to 6th of December 2020.

Veneto region, with its enchanting Venice and particularly with the city of Jesolo, has always been a land of sports and hospitality, as the great number of previous events, within the famous Venice Cup, can demonstrate.

The "Karate 1 Youth League" has grown and has been transformed from a promising novelty to an important competition on the international scene. The aim of involving young athletes in the scenario of high-level international competitions has been achieved and now the "Karate 1 Youth League" is a sure bridge for the many young talents who train and compete with passion towards their Olympic dream.

2020 was a difficult year, we all had to fight against an invisible and insidious enemy that put our tenacity to the test.

This enemy has not yet been defeated, many of our programs have been postponed, such as the Tokyo Olympics where Karate would make its five-circle debut, but we don't give up and continue to dream.

Thanks to this event, our young karate athletes begin their journey towards the highest technical level today, and their Olympic dream begins today to be realized tomorrow.

For the particularity of the period we are experiencing I want to thank even more warmly all the people who worked hard for making alive this prestigious sport event: in particular the athletes, the instructors, the various associations and the families.

We must not forget to acknowledge who works behind the scenes, the Organizing Committee, the President Vladi Vardiero, the Multisport Veneto Association, who worked with passion and dedication in order to organize this project.

I also thank the city Council of Jesolo, special guest of these Karate events since ever, for its kindness and collaboration.

I wish you all to enjoy this prestigious sport event, therefore "Karate 1 Youth League Jesolo-Venice" will surely be a special occasion to honor and strengthen this beautiful sport in Italy and throughout the world.

Domenico Falcone
Fijlkam President

1.3. Greetings from the WKF Executive Committee member

Accept what you cannot change and change what is in your hands!
With this spirit and with the desire to restart, we wanted to face this period.

The Youth League of Jesolo 2020 must be a symbol of restart and resumption of WKF activity.

Definitely a challenge that the WKF, the Italian Karate Federation (FIJLKAM) and the local Organizing Committee MultiSport Veneto want to win to give a clear signal to the Karate World that everything can and must restart.

Welcome to ALL and in thanking you for your presence and your fighting and collaborative spirit that will lead to the success of the WKF YL Jesolo 2020 event, I wish you to live an experience that will give you the necessary energy for the future.
