*As in previous years, I am convinced that all the youngsters participating in the event will learn the outstanding values of our sport such as respect, honour, perseverance. I hope that all the future stars of our discipline travelling to Porec this year will bring home unique experiences and memorable moments of the best Karate to further build their passion for the sport. I take the opportunity to thank the Croatian Karate Federation and its president Mr. Davor Cipek for their support in organising once again one of the most important events of the year. Best of luck to all the participants and organisers, and a big "OSS" to all of you Karate fans.*

# Welcome Messages

*Dear Competitors and Guests,*

*On behalf of the City of Poreč - Parenzo, I would like to thank the organizers of this great event for selecting our city as the place where participants will find ideal conditions to meet the goal of the Camp – to train with top-world champions in a friendly atmosphere, and to learn about latest achievements in the world of karate.*

*Thanks to a great sporting tradition, excellent sports infrastructure and accommodation, we have already welcomed some of the most important sports championships ever held in Croatia - World Handball Championship, European Handball Championship, Davis Cup, world volleyball tournament Proeč Major, World Volleyball Championship, and European Fencing Championship are just some of them. But, it is you, the youth, which makes us happy the most. This Camp is a continuation of our efforts to bring top sporting events to Poreč and host them in the best possible manner.*

*Poreč regularly enriches a diversity of cultural programs during the season as well as in pre and postseason and wishes to offer quality content to its citizens and guests. It is worth pointing out that this is a city whose microclimate and infrastructure provide excellent conditions for athletes of different profiles, many of whom prepare for their sports competitions right in Poreč.*

*Poreč is a city of sports, but also a champion of tourism, a city of rich cultural heritage, entertainment, sun and sea, excellent gastronomy. Therefore, I invite you to take a break between training and competition, walk the streets of our old town, discover the landmarks, enjoy our delicacies, and experience Poreč with all your senses.*

# Welcome Messages

*Dear Friends,*

*It's my great pleasure and honor to welcome you on behalf of the Croatian Karate Union and the Organizing Committee of the 13th WKF Youth Training Camp. WKF Youth Training Camp, together with WKF U12 & U21 Cup, and WKF Youth League is an event created with joint efforts with the World Karate Federation, and I have to express my gratitude towards the World Karate Federation for once again recognizing us as the suitable hosts. Also, entire karate family can be very proud because this years' novelty is the Youth Para Karate Training Camp which will take place on the same dates, during WKF Training Camp's sessions. As the Camp grew, we felt responsible for meeting the needs of the numerous karatekas, keeping the high-quality standard, and lifting the organizational aspect even higher. That's why, after welcoming several thousands of participants in the last couple of years in Umag, we decided to make a change and move our Camp to City of Poreč. For that, I thank you primarily, because you were the ones whose growth showed us we were doing a good job and gave us the boost to continue following our path to excellence. In this Olympic year, which will be historic for our sport, we're looking forward to welcoming top-world coaches, but primarily our athletes - future karate stars and the future of the World Karate Federation in this magnificent promotion of our sport. I hope all of you will enjoy your stay, be satisfied with your results, make unforgettable memories and friendships, all that while helping us show why Poreč is justifiably becoming the centre of WKF.*

**Mr. Davor Cipek**

Karate Union  
The President of the Organizing  
Committee

# Introduction

## The City of Poreč

The City of Poreč, located on the western coast of the Istrian peninsula, in Istria County, Croatia, is also known as a city with a thousand-year history. Its major landmark is the 6th-century Euphrasian Basilica, which is today considered a true architectural treasure and has been a UNESCO protected site since 1998. The wider Poreč area has a population of approximately 17000 inhabitants, and its municipal area covers 142 square kilometers with the 37 kilometers long shoreline. Mediterranean surroundings, a gentle climate, fertile land, and lush vegetation have made Poreč a unique and one of the most visited tourist destinations in Croatia.

Moreover, years of experience in competitions and tournaments, coupled with constant investment in equipping sports facilities, have resulted in Poreč being granted the title „City of Sports.“ Bestowed with natural beauty, clean air, and sea whose quality has been regularly measured and monitored, our new host city promises cordial hospitality.

For more details please visit: <https://www.myporec.com/en>

*After seven successfully organized WKF Youth Training Camps in Umag, Croatia, we realized that this story exceeded the capacities of our dear host town. Guided by the wish of providing even more magical experience for our participants, we decided to move the Camp to Poreč - a beautiful city, not so far away from Umag, which, together with its natural beauty, provides infrastructural solutions, that can benefit this event.*

*Through this bulletin, you will be able to find out more about our new host city, sports venues we will be using, and a new concept of our WKF Camp. Moreover, you'll be able to find preliminary schedules, registration instructions, and in the last pages, we will introduce our official accommodation solutions, which will again be mediated in cooperation with our partner Uniline.*

# Registration

## ONLINE REGISTRATION

---

WKF Youth Training Camp, WKF U12 and U21 Cup, and WKF Youth League entries shall be submitted only via the official online registration site which can be found on SPORTDATA link.

The deadline for online registration is June 20th. After the deadline, the registration system will be closed, and for all further registrations penalty of 75 CHF may be applied as it is according to the WKF Rules.

Entries can be submitted by the participants themselves, without the need for specific involvement of their National Federations.

However, if there is any discrepancy with the National Federation, it is the NF – all NFs can access real-time registrations for an event – who should communicate to sportdata.org and the WKF HQ straight away any incidence. This should be done the latest four days before the first day of competition, this is three days after closure of registration so that a smooth running of the registration process and the event itself can be ensured and the necessary steps can be taken.

*If you are looking for a peaceful holiday location tucked away in a pretty, pine-forested peninsula surrounded by pebbly and rocky beaches and the emerald sea - come to Zelena Resort.*

Accommodation you'll love, right next to the beach, with a sports centre and plenty of activities to keep you happy when not soaking up the sun.

## Resort ZELENA LAGUNA

### OFFICIAL HOTEL

The green oasis of relaxation, the furthest point of the verdant peninsula housing all kinds of accommodation offers exotic pleasures like night swimming, right by the Aquapark where you'll spend many days if you are vacationing with children. Everything is connected with jogging and cycling trails through the pine forest; every location has a children's club, a playground and sports facilities. Water skiing, diving, paragliding, jet ski rides, bike rentals and plenty of trail options should keep you amused when not lounging around the pools. Beaches are well groomed, stone and gravel, all Blue Flag clean. Tourist trains, taxi boats or buses can take you into Poreč if you don't feel like walking.

# Resort ZELENA LAGUNA

## Beaches at the resort Zelena Laguna

---

A large resort located 3 km south of Porec, Zelena Laguna consists of many bays, small peninsulas, over 10 km of a coastline, 8 hotels, one apartment complex, two campsites, many bars, restaurants, and activities. All official hotels and beaches are within a walking distance 10-15 min without traffic. Sports facilities for training camp are located in the middle of the resort between the official hotels and the beaches.

At the entrance of the resort, just before the hotel Molindrio, there is a wake board park, and a small beach near it. There is a story that the ski lift park was made there with the idea to keep moving the sea water, as the sea here is very shallow, and the water tends to stay still.

Next to the wake board park, there is a small pebble beach. Beach is mostly used as an exit point for wake-boarders. There isn't much shade here, but there is a nice grassy area with hammocks, sand volleyball court, as well as a small children playground with a sand pit, and a couple of swings. A bar with a large terrace is a centrepiece of a wake board park. Public toilets are available near the bar, and are free of charge.
