1. WELCOME MESSAGE

1.1 Greetings from the FIJLKAM Italian Karate Federation President

It is a pleasure for me and for the Italian Karate Federation to greet all the athletes of the “Karate 1 Youth League”, which will live up at Jesolo from 9th to 12th of December 2021.

Veneto region, with its enchanting Venice and particularly with the city of Jesolo, has always been a land of sports and hospitality, as the great number of previous events, within the famous Venice Cup, can demonstrate. The “Karate 1 Youth League” has grown and has been transformed from a promising novelty to an important competition on the international scene. The aim of involving young athletes in the scenario of high-level international competitions has been achieved and now the “Karate 1 Youth League” is a sure bridge for the many young talents who train and compete with passion towards their Olympic dream. Thanks to this event, our young karate athletes begin their journey towards the highest technical level today, and their Olympic dream begins today to be realized tomorrow.

2020 and 2021 were difficult years, we all had to fight against an invisible and insidious enemy that put our tenacity to the test.

The Tokyo Olympic adventure has just ended with great joy and satisfaction for the World Karate family. The successes of Karate have filled the hearts of each of us and strengthened the conviction of the merits of this discipline which deserves to be included in the Olympic program as a permanent sport.

Together with the head of the international governing body of Karate, the President of the WKF, Mr Antonio Espinós, we express our satisfaction with the outcome of the event and we sincerely hope that the International Olympic Committee will reconsider the continuity of Karate in the Olympic program. The time for Karate to be a permanent Olympic sport is now.

For the particularity of the period we are experiencing, I want to thank even more warmly all the people who worked hard for making alive this prestigious sport event: in particular the athletes, the instructors, the various associations and the families.

We must not forget to acknowledge who works behind the scenes, the Organizing Committee, the President Vladi Vardiero, the Multisport Veneto Association, who worked with passion and dedication in order to organize this project.

I also thank the city Council of Jesolo, special guest of these Karate events since ever, for its kindness and collaboration.

I wish you all to enjoy this prestigious sport event, the “Karate 1 Youth League Jesolo-Venice” will surely be a special occasion to honor and strengthen this beautiful sport in Italy and throughout the world.

Domenico Falcone

1.2 Greetings from the FIJLKAM Italian Karate Federation Vice President and member WKF - EKF Executive Committee

Accept what you cannot change and change what is in your hands!

With this spirit and with the desire to restart, we wanted to face this period.

The Youth League of Jesolo 2021 must be a symbol of restart and resumption of WKF activity.

Definitely a challenge that the WKF, the Italian Karate Federation (FIJLKAM) and the local Organizing Committee MultiSport Veneto want to win to give a clear signal to the Karate World that everything can and must restart.

Welcome to ALL and thanking you for your presence and your fighting and collaborative spirit that will lead to the success of the WKF YL Jesolo 2021 event, I wish you to live an experience that will give you the necessary energy for the next future.

This is Karate I like!!!

Davide Benetello

WKF and EKF Executive Board

F.I.J.L.K.A.M Vice President

1.3 Greetings from the FIJLKAM Italian Karate Federation Vice President Veneto Region and President Multisport Veneto

As President of the Organizing Committee, I will strive to do my best at taking on this second edition of the Youth League!

The previous edition in 2019, which took place in Jesolo (Venice), was one of the fourth tournaments of the Youth League WKF competition, it focused on youth categories whose athletes will be the future Youth Olympic competitors.

I have to emphasize that in those days we reached the highest number of participants, surpassing all the previous records! 5 Continents, 62 nations and 3.200 athletes from over 600 clubs fought on eight tatami areas. A WKF world record! Such a vast number had never been recorded by any kind of karate competition.

The continuous growth in participants in events organized by the Organizing Committee, which I'm honored to be in charge, confirms that working with professionalism and accuracy is always rewarded. Also, thanks to these achievements, our trust is retained by the Fijlkam (our national federation) and the WKF.

It is for this reason that we will keep working harder in order to improve our services.

In 2021, due to the highest demand of participants in both Venice Cup (28th edition) and WKF Youth League, we have decided that the two competitions will take place, as separate event, in the same location and week.

The Karate1 WKF Youth League will be hosted in Jesolo (Venice) at the new big and modern sport hall, which is a welcoming and spacious indoor sports arena. A great deal of important international sport events is taking place here every year.

I dutifully have to thank the WKF President, Antonio Espinos, who gave us the opportunity to show to the world our abilities in organizing such important events.

Furthermore, a special thanks goes to the Italian Karate Federation and its members, the Fijlkam President, Domenico Falcone and the WKF/EKF Executive Member and Fijlkam Vice President Davide Benetello whose contributions made possible to present this project to the World Federation.

I cannot forget to thank ASI President, Senator Claudio Barbaro, who has always believed in our projects, and all the staff of ASI Karate Veneto, formed by our athletes' families, who will help us another time to make these important events happen.

In conclusion, I would love to wish you a wonderful experience in Jesolo!

I am sure these two events will be great, full of sport whose fundamental principles and values, such as Respect and Tradition, will be standing.

This is the Karate Sport and Karate Do we want!

Vladi VARDIERO

Vice President of the FIJLKAM Karate Veneto
President of the LOC

18. CITY / COUNTRY INFORMATION

18.1 About VENICE

Considered the most beautiful city in the world

It is an incredible city that you can explore either on foot or by boat and that's made up of 118 islands joined by more than 400 bridges and separated by canals which act as streets.

It is also fascinating for the many art treasures that it holds: churches, palaces, museums, bridges: we can almost say that the entire city is a unique work of art built throughout centuries that continually faces the difficulties spurred by the lagoon's unstable nature.

The monuments

Venice is in itself a work of art, an authentic box of art treasures coming from all around the world. Travelling along the Canal Grande on a boat will be an unforgettable experience that will allow you to admire the refined palaces and the wonderful churches. Then there's the heart of Venice, St. Mark's square, one of the most beautiful places in the world with the marvelous Basilica, the Campanile and the Ducal Palace...

The works of art that are kept in the churches and museums, but also the less well known places that you may come across as you walk between bridges and squares, are incredibly fascinating and full of charm.

The history

When in the fifth century a.C. the barbarians invaded the Po Valley, the people took refuge on the islands of the lagoon. After this episode, about 421 a.C., Venice was founded. The city developed around one of the oldest centres, Rialto, and quickly became a rich merchant harbour, an important link between the west and east markets. At the end of the thirteenth century Marco Polo started to trade with China, though the Serenissima Republic with its institutional system

based on the "dogato" was already spreading towards the mainland thus starting centuries of prosperity and of shrewd government. The decline arrived in the sixteenth century when the trade routes to America were moved and begun to favour the Atlantic harbours. In 1797 Napoleon conquered the city and gave it over to Austria; Venice stayed under the Hapsburg rule up to 1866 when it became part of the Italian kingdom.

The Lagoon and its islands

The Venetian lagoon has its own very special environment in which the people and their jobs are in direct contact with the laws of nature; a landscape that in a few hours as the tide turns completely changes its appearance, an environment where the flora and fauna are extremely fascinating. And from the quiet water of the lagoon rise the fascinating islands of Murano, Burano, Torcello, St. Francesco del Deserto, St. Lazzaro degli Armeni, Pellestrina, Chioggia
