Organizing an event

The following changes are essential to keep the competition on time

The competition starts at 09:00

We organize the event on seven tatami.

Under 14 years

In case of 2 people - until 2 matches won,

3-4 - round robin,

in the case of a higher number of people, normal system with full repechage

Over 14 years

In case of 2 people - until 2 matches won,

3-4-5 - round robin,

Mixed system in case of 6 people

Over 6 people - normal system with full repechage

The warm-up zone will be set up on the 1. floor.

Competitors are asked to prepare 30 minutes before the start time of the category, because if the smooth running of the competition requires it, we will start the category earlier.

The referee panels are switches places to another tatami every 2 hours.

Coaches are kindly requested to check that all competitors they delegate are entered in the correct category.
