It is for me and for all of the components of the World Karate family a great pleasure to visit Guadalajara and Spain. Around 100 countries from the five continents are going to meet in Guadalajara around Karate, a sport that is proving day by day not only how deep it is merged in our society but also the added value that its practice gives irrespective of age and condition.

Spain is a very important piece of the World Karate Federation, for both qualitative and quantitative reasons. We have lived the progress that karate has experienced in this country and how positively it has been contributing to the worldwide development of our sport.

I also want to congratulate the Royal Spanish Karate Federation for the commitment, professionalism and interest shown for the successful organization of these Championships, and wish that this event will serve to further promote karate popularity and practice throughout the country.

In the name of the whole World Karate, I want to thank you for your inestimable contribution, and I am sure that we all will enjoy unforgettable days in Guadalajara.

Antonio Espinós
President of World Karate Federation

The Spanish karate Federation hosted its last World Championships in 2002. We wait with great expectation and encouragement the arrival of these 8th World Junior & Cadet Championships in Guadalajara.

Every sport has a place in this city, where it is possible to play a wide variety of sports or merely enjoy big events as a spectator. The Aguas Vivas Sports Hall might be considered the standard-bearer for sport in the city. Guadalajara is much more; it is a historic city where you will find a wide range of cultural and leisure activities which will make your stay an unforgettable experience.

I would like to take this opportunity to make a special mention of the President of the World Karate Federation, Mr. Antonio Espinós Ortueta for his inestimable support to the organization of these Championships as well as to the Spanish Karate.

Our most sincere gratitude to the institutional contribution of the Town Hall of Guadalajara, for their cooperation and collaboration for the development of these Championships and specially to our sport, karate.

The Spanish Karate Federation is proud to host the next 8th World Junior & Cadet Championships in Guadalajara which will be a success for our sport in Spain.

Antonio Moreno Marqueño
President of Spanish Karate Federation

Guadalajara is the capital city of the province of the same name, which in turn forms part of the Autonomous Region of Castilla-La Mancha. It is located in central Spain, roughly 60km northeast of Madrid on the Henares River. It has a dry, continental climate.

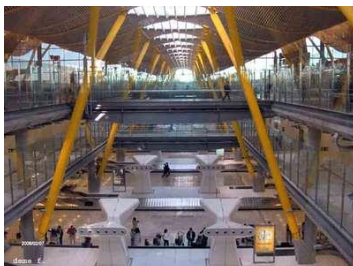

Guadalajara, has a long history linked to the career of the Dukes of Infantado in the capital of La Alcarria. From its interesting legacy of monuments, the superb Infanzado Palace, a real symbol of the city, is outstanding.
