1 Welcome Message

Dear participants,

After the seven first successful editions, we face in 2015 the 8th edition of the WKF Youth Camp and World Cup. This year we continue with the children categories, and the WKF Youth Cup will take place in parallel, for the second straight time in the city of Umag, in Istria, Croatia, where the participants, after a rather 2014 successful edition, are going to find the ideal conditions to fulfil the objective of the Camp; what it is like to train with top world champions in a friendly and cosmopolitan atmosphere whilst getting in touch for a whole week with the state of the art sport of Karate.

Umag can be easily reached by road from many places in Central Europe and not only, which assures this 8th edition to be a again complete success.

Finally, I would like to thank the Croatian Karate Federation and the local authorities for their help and support and I am looking forward to welcoming you all personally.

Antonio Espinós
WKF President
